Finding a Scholarly Source
Deets

Finding a Scholarly Source:

Step 1: Go to the Articles and Databases Page on the UW Manitowoc Library Page:

<http://www.manitowoc.uwc.edu/library/articles.aspx>

Step 2: Click on EbscoHost database (the first listed.)

Step 3: Log In.

Step 4: Click on Research Databases.

Step 5: Click on Continue (Academic Search Premier box should already be checked.)

Step 6: Under the green bar that says Search Options check the following boxes...

✓ Also search within the full text of the articles.

✓ Full Text

✓ Scholarly (Peer-Reviewed) Journals

Step 7: Do your keyword search. Be as specific as you possibly can.
